

## **Why give with your bank account?**

Giving online with your bank account costs your church less, because bank transfer fees are significantly cheaper than credit or debit card fees.

## **How do I add my bank account on FaithStreet?**

1. Create an account at [faithstreet.com/join](https://faithstreet.com/join). If you already have a FaithStreet account, make sure you're logged in.
2. Once you're logged in, you should see your personal dashboard. If you don't see it for some reason, click the upper right hand side dropdown and then click "Your Account".
3. Click "Wallet" on the left hand side navigation
4. Click "Add Bank Account"
5. Input and submit your bank account information
6. You will now receive 2 small verification deposits in your bank account over the next 2-3 days. Once you receive them, go back to your "Wallet" and click "Verify" next to your pending bank account.
7. Enter the amounts of the 2 deposits you received.
8. You're all set! Go to your church's giving page and select your bank account as the payment method.
